

APOLLO REACH HOSPITALS, KARIMNAGAR UNITED

FROM : MY STORY -ANITHA G (Patient)

GOOD MORNING TO ALL.

I am 33-year-old woman had, unfortunately an accidental fall on 04.08.22 and injured my left hand. Pain started in wrist and left hand, I was panic and rushed to Apollo Reach Hospital, Karimnagar.

I have opted for ORIF distal radius plate to my left hand. The surgery is going well. I was operated on 05/08/22 by Dr. Venkat reddy, it has gone off like a peach and I recovered very well.

The next day I was transferred to the Special ward, I was looked after very well by the kindly nursing staff, Physiotherapist. I made an excellent recovery and am discharged to be going home today.

I thanks to Apollo Reach Hospital Dr. Venkat Reddy and his team for the wonderful way they treated me.

Thanking you.
